## ***Moving you forward***

Research and customer feedback show that freedom to move while working leads to better health, greater productivity and a more positive attitude. At Ergotron, our mission has always focused on transforming static workplaces into dynamic environments that allow our customers to thrive. This means moving people forward by improving how they work, learn, play and care for others.

Whether in office, home, healthcare or educational settings, Ergotron is respected for industry-leading, professional-grade products. Our ergonomic movement solutions are designed for the rigors of a commercial audience, engineered for durability and tested to performance excellence. We are proud to hold more than 200 patents for unique product innovations and to have received countless accolades and awards.

Your input remains a crucial component in our product development process—and your loyalty tells us we're continuing to move you in the right direction.

Thank you for your continued trust in the Ergotron brand.

The way we work has changed, so companies need to invest in spaces that meet the needs of every generation. Through movement, Ergotron eliminates constraints and transforms sedentary office environments into active spaces that inspire creativity and long-term results.

### Sit-Stand Workstations

#### THE BROADEST PORTFOLIO FOR THE PERFECT FIT

Our products foster a workplace culture of movement, encouraging active workstyles that benefit employers and employees with improved comfort, flexibility and collaboration.

### Monitor Mounts

#### WELL-BEING IS WITHIN AN ARM'S REACH

An active sit-stand workstyle represents just one aspect of a workday that moves. With Ergotron's monitor arms, you can harness even more productivity and feel-good benefits.

## WORKFIT DESK CONVERTERS

Every body and every workspace is different. With the widest selection of styles, sizes and accessories, Ergotron's WorkFit family of sit-stand solutions helps employees find their best fit. The ability to easily go from sitting to standing and back again allows employees to choose how they work to reclaim the energy they need to feel and perform at their best.

# WORKFIT™

### Tabletop Desk Converters

#### The new standard: WorkFit-TX

Thoughtfully designed to offer advanced ergonomics out-of-the box, the WorkFit-TX fits more users with an X-shaped lift that folds close to your desk to keep the right monitor-to-keyboard-tray spacing. With a height-adjustable, back-tilt keyboard that sits below the worksurface, this ultra-low sit-stand workstation delivers leading ergonomics when sitting and standing.

Lift	50.8 cm
Weight Capacity	18.2 kg
Worksurface Dimensions	81 x 68.5 cm
Keyboard Tray Dimensions	71 x 20 cm

Part Number / Color / Availability  
33-467-921 / Black / AU, NZ

#### Right-angle power play: WorkFit Corner

Don't cut corners. Use them. The WorkFit Corner Standing Desk Converter turns unused space into a productive right-angle power play. It offers more worksurface and the largest keyboard tray of any WorkFit. The notched worksurface hugs 90-degree cube or office walls to slide into this previous dust collector space.

Lift	38 cm
Weight Capacity	15.9 kg
Worksurface Dimensions	91.4 x 60 cm
Keyboard Tray Dimensions	91 x 33 cm

Part Number / Color / Availability  
33-468-921 / Black / APAC (except CN, HK, TW, JP, Southeast Asia)

## Tabletop Desk Converters

### Large worksurface: WorkFit-TL

WorkFit-TL transforms everyday offices into dynamic, active workspaces. This sit-stand desktop converter offers easy, crank-free height adjustment and holds up to 18.1 kg of office essentials on a large worksurface. It moves straight up and down for more stability and to keep your space, your space.

Lift	38 cm
Weight Capacity	4.5–18.1 kg
Worksurface Dimensions	95 x 58.4 cm
Keyboard Tray Dimensions	69 x 28 cm

# TRACE™

## SHAPE A NEW WORK EXPERIENCE

The innovative TRACE Monitor Mount adapts to the ergonomic needs of each employee to create agile workspaces at home or in the office that effortlessly shift between users and tasks to encourage healthy movement, productivity and a collaborative spirit.

**Embrace the Technology of Movement™**  
to improve workplace comfort, collaboration and productivity.

A productive and comfortable workday depends on a personalized set-up that offers employees the freedom to choose how they work best. TRACE embraces movement by tracing the path from individual to collaborative work, always returning to the natural home position.

Intuitive adjustment using patented Constant Force™ Technology positions screens at an ergonomic height for comfortable working in dedicated or shared workspaces. Integrated cable management reduces clutter with a compact base that maintains valuable workspace. The flexible design accommodates future technology changes with a 15-year warranty to get more from your investment.

**Embrace your next move:**  
**TRACE Single Monitor Mount**  
**with Panel Clamp**

This innovative mount adapts to how each user works and feels their best to create ergonomic, flexible workspaces. It intuitively adjusts between tasks and postures, always returning to the natural home position.

Part Number / Color  
**45-243-026 / Polished Aluminium**  
**45-243-216 / White**  
**45-243-224 / Matte Black**

### Work sitting or standing: LX Sit-Stand Wall Arm

This versatile arm can be used in a variety of applications: attach a smaller monitor for use within a sit-stand workstation or add a large display up to 11.3 kg to position digital signage.

Typical LCD Size	Sit-stand ≤ 42"
Typical LCD Size	Sit-stand HD ≤ 46"
Lift	50.8 cm
Weight Capacity	Sit-stand 3.2–11.3 kg
Weight Capacity	Sit-stand HD 6.3–13.6 kg

Part Number / Color  
**Sit-stand 45-353-026 / Polished Aluminium**  
**Sit-stand HD 45-383-026 / Polished Aluminium**

### Stable and flexible: MXV Wall Arm

The MXV Wall Monitor Arm incorporates a modern V-shaped design to create a stable yet flexible platform for screens up to 9.1 kg. With a slim profile, MXV offers 13" (33 cm) of height adjustment, up to 63 cm monitor extension, integrated tilt and more.

Typical LCD Size	≤ 34"
Lift	33 cm
Weight Capacity	3.2–9.1 kg

Part Number / Color  
**45-505-026 / Polished Aluminium**  
**45-505-216 / White**  
**45-505-224 / Matte Black**

### Keyboard Arm

### Build a complete ergonomic space: LX Wall Keyboard Arm

Type freely on the stable platform that easily adjusts to the most comfortable working height. The back-tilt keyboard tray keeps wrists neutral for comfortable typing, while helping prevent common office injuries.

Keyboard Tray Size	44.6 x 24 cm
Lift	33 cm
Lift	Sit-stand 51 cm
Weight Capacity	≤ 2.3 kg

Part Number / Color  
**45-246-026 / Polished Aluminium**  
**Sit-stand 45-354-026 / Polished Aluminium**

### Heavy Monitor Mount

### For large monitors: MX Wall Arm

The sleek MX LCD Arm accommodates larger monitors and all-in-one computers weighing up to 13.6 kg.

Typical LCD Size	≤ 42"
Lift	13 cm
Weight Capacity	6.4–13.6 kg

Part Number / Color  
**45-228-026 / Polished Aluminium**

### Additional Wall Mounts!

#### 200 Series

Typical LCD Size	Dual ≤ 22" each
Typical LCD Size	Pivot ≤ 27"
Typical LCD Size	Wall Mount ≤ 27"
Weight Capacity	Dual 5.9 kg each
Weight Capacity	Pivot 11.3 kg
Weight Capacity	Wall Mount 11.3 kg

Part Number / Color  
**Dual Monitor 45-231-200 / Black**  
**Monitor Pivot 45-232-200 / Black**  
**Wall Mount 1 extension 45-233-200 / Black**  
**Wall Mount 2 extensions 45-234-200 / Black**

### LX Wall Mount Swing Arm & Pivot

Typical LCD Size	≤ 42"
Weight Capacity	22.7 kg

Part Number / Color  
**HD Swing Arm 45-268-026 / Polished Aluminium**  
**Monitor Pivot 45-269-009 / Polished Aluminium**

#### 100 Series

Typical LCD Size	≤ 27"
Weight Capacity	Single ≤ 11.3 kg
Weight Capacity	Pivot ≤ 10.4 kg

Part Number / Color  
**Single 47-092-800 / Black or Grey**  
**Pivot 47-093-800 / Black or Grey**

### Tilting & Low Profile Mount

Typical LCD Size	TM Tilting $\geq 32"$
Typical LCD Size	TM XL Tilting $\geq 42"$
Typical LCD Size	WM Low Profile $\geq 32"$
Typical LCD Size	WM XL Low Profile $\geq 42"$
Weight Capacity	$\leq 79$ kg

Part Number / Color  
**TM Tilting 61-143-003 / Silver**  
**TM XL Tilting 61-142-003/ Silver**  
**WM Low Profile 60-604-003 / Silver**  
**WM XL Low Profile 60-602-003 / Silver**

### SIM90 Signage Mount

Typical LCD Size	$\geq 32"$
Weight Capacity	$\leq 47.6$ kg

Part Number / Color  
**60-600-009 / Black**

### Glide Wall Mount

Typical LCD Size	LD-X 27–42"
Typical LCD Size	HD 30–55"
Typical LCD Size	VHD 46–63"
Lift	LD-X 25.4 cm
Lift	HD 46 cm
Lift	VHD 40.6 cm
Weight Capacity	LD-X 5.4–13.6 kg
Weight Capacity	HD 9.1–18.1 kg
Weight Capacity	VHD 20.4–32 kg

Part Number / Color  
**LD-X 61-113-085 / Black**  
**HD 61-061-085 / Black**  
**VHD 61-128-085 / Black**

### FX30 Wall Mount

Typical LCD Size	$\leq 37"$
Weight Capacity	$\leq 13.6$ kg

Part Number / Color  
**60-239-007 / Black**

### Interactive Arm

Typical LCD Size	LD $\leq 42"$
Typical LCD Size	HD 30–55"
Typical LCD Size	VHD 40–63"
Lift	51 cm
Weight Capacity	LD 3.2–11.3 kg
Weight Capacity	HD 8.2–18.2 kg
Weight Capacity	VHD 15.9–31.8 kg

Part Number / Color  
**LD 45-361-026 / Polished Aluminium**  
**HD 45-296-026 / Polished Aluminium**  
**VHD 45-304-026 / Polished Aluminium**

### Neo-Flex Cantilever Mount

Typical LCD Size	VHD $\leq 63"$
Typical LCD Size	UHD $\geq 37"$
Weight Capacity	VHD $\leq 36.3$ kg
Weight Capacity	UHD $\leq 54.4$ kg

healthcare

Caregivers have many distractions that take their focus away from patients—technology should not be one of them. Ergotron products remove constraints from how caregivers work with technology to help reduce burnout and to improve the patient experience. Together, we are moving care forward.

### Carts

#### CONFIGURATIONS TO FIT YOUR WORKFLOWS

Move your care where it's needed most with a mobile workstation.

### Wall Mounts

#### GET MORE FROM YOUR SPACE

Free up room in your facility for personal interaction with patients and families.

### Charging Cabinets

#### POWER UP YOUR TECHNOLOGY

Keep your smart devices secured, protected and charged for easy documentation.

and more!

# CAREFIT<sup>TM</sup> SLIM

Ultra-lean Documentation Cart

Short, tall or average clinicians can now work comfortably and effectively—no matter what their stature. Help all of your caregivers thrive with an expansive vertical range that easily adjusts to the ergonomic needs of the broadest range of users. The lightweight design makes it easy to move wherever your work takes you around the healthcare facility.

**CareFit Slim 2.0 LCD Carts** offer a pull-out keyboard and large worksurface to support large all-in-one computers and monitors, with no-drawer and one-drawer models available.

- 1 Designed for lean IT configurations, including micro PC + LCD or AIO 21–27" weighing up to 9.1 kg
- 2 Telescopic lift provides an additional 13 cm of monitor height adjustment
- 3 Spacious worksurface is 52.5 x 36.3 cm
- 4 Slide-out keyboard tray and pull-out mouse tray (left or right side) hides under the keyboard tray when not in use
- 5 Offers easy height adjustability with the pull of a lift handle
- 6 Includes an accessory shelf for a scanner, printer or wipes
- 7 Lift engine offers an expansive vertical range of 74–119 cm
- 8 Easily add a LiFeKinnex power system
- 9 Compact cast aluminum base with durable finish; includes three-function 10.2 cm casters

**CareFit Slim Laptop Carts** fit laptops and two-in-one A pull-out cable storage tray keeps cords out of sight, and a slide-out power brick holder offers easy access to power options.

- 1 CareFit Slim Laptop Security Bracket keeps your laptop from sliding, while helping protect important equipment
- 2 Integrated storage area and pull-out cable storage tray with quick connect hardware
- 3 Worksurface is 53.3 x 35.3 cm
- 4 Triple-stage lift engine offers an expansive vertical range of 61.4–124.7 cm
- 5 Super-compact cast aluminum base with durable finish; includes three-function 10.2 cm casters

## CareFit Slim 2.0 LCD Cart

*POWER LIFE-CHANGING CARE*

- Safe battery chemistry
- Longer battery cycle life
- Quick charging time
- Easy to connect
- Simple attachment system

Alleviate power anxiety on medical carts with this innovative battery system designed to support multiple workflows, including hot swap or on-cart charging. The three-part system—battery, smart battery dock and optional external four-bay charger—minimises downtime by monitoring battery run-time with a LCD screen and using the unique magnetic connection feature for an easy swapping process.

*CLOUD-BASED FLEET MANAGEMENT FOR MEDICAL CARTS*

- Secure, web-based software application that monitors and manages your fleet of CareFit and StyleView carts
- Seamless and centralised fleet management provides comprehensive cart data to significantly reduce or eliminate cart downtime
- Monitoring helps improve battery life expectancy
- Provides real-time insight into usage patterns, drawer access, battery charge/life and more
- Software operates separately from patient records to reduce concerns with HIPPA compliance
- Easy to get, fast to implement

# CAREFIT™ *Low Profile Wall Enclosure*

Space is in high-demand in healthcare environments. With the CareFit Enclosure, you have more room to provide the best patient care. The wall-mount workstation lets caregivers work comfortably sitting or standing in crowded patient rooms or hallways.

- The low-profile design stays close to the wall and folds when not in use to open up more space
- Lock code with up to 10 digits keeps patient data and technology secure
- Interchangeable laminate options let you customise the look to design stylish, healing spaces for your organisation

*Enclosure available in black or white with six woodgrain laminate options*

The modular CareFit Combo System supports genuine patient connections and helps reduce the risk of errors by enabling an efficient and comfortable documentation experience at the point of care. The wall mount design enhances healing spaces with concealed cable management that promotes infection control, serviceability and uptime for IT teams.

Provides **nurses** with renewed control over individual workflows and health to help facilitate efficient documentation and foster patient relationships.

Hidden cable management and simple cord access makes it easy for **IT teams** to maintain or upgrade workstations so they can efficiently get the job done.

- 1 Personalized, ergonomic monitor positioning for each user with 180° of pan and 13 cm of independent adjustment
- 2 Full unit extends up to 165 cm for documentation at a patient's bedside or in a private space
- 3 Wall Track creates a clean, streamlined look with hidden cabling
- 4 Space-saving design easily folds when not in use to open up more work area
- 5 Support neat, healing spaces with concealed cable management that enhances infection control
- 6 Enable efficient, secure access with space for an RFID employee badge reader

## CONFIGURE YOUR WALL SYSTEM FOR YOUR WORKFLOW

Select an area for supplies or large workspace for keyboard storage.

Patented PowerShuttle technology:

Supports safe and fast charging for tablets and laptops

Continuous monitoring keeps circuit limits in check

In-rush protection helps avoid power spikes

Measured processing manages the current to devices

In a test, our charging cart with PowerShuttle Technology charged up to 40% faster than our competitor's round robin charging cart

# CHARGEFIT

Our professional-grade ChargeFit designs combine durable construction with extensive testing to help keep students, staff and devices safe.

**Charge devices faster to power your digital classroom**

Do more than just charge your classroom devices. With adjustable dividers, you have the flexibility to fit up to 40 tablets and Chromebooks or 30 full-size laptops for all of your learning needs. It ships fully assembled to give you more time to focus on what matters most—your students.

education

# LEARNFIT™

Our LearnFit family of height-adjustable, mobile desks allows students, teachers and colleagues to break free from constraints that hinder creativity and success, so they can thrive as they learn and work. These kinetic environments drive collaboration across the entire school to support 21st century learning.

From supporting greater focus to building flexible classroom spaces to contributing to positive academic performance, LearnFit creates personalised learning experiences that set the foundation for a lifetime of well-being.
