

# PROUDLY REPRESENTING & ADDING VALUE WITH THESE BRAND LEADERS

## Proven Performance For Over 65 Years.

Air Engineering and Supply (AES) has a track record for personable salespeople and engineering knowledge spanning more than 65 years. Our relationships have been built by our long-term employees and cultivated with an in-depth product knowledge, and technical support where and when you need it.

## Air Engineering and Supply Product and Services

- Large Local Inventory with same day shipping on 1000's of items
- Partnering with customers to manage inventory levels
- Pneumatic Value Added/Kitting, Sub Assembly & Complete Assembly
- 80/20 Modular Framing, Value Added Expertise
- Robotic, Automation, Electro Mechanical, Panel Products, Safety Products

## Safety Products

### Machine Guarding

- 80/20 Inc.
- Husky Rack and Wire

### Electric Safety Switch

- Eles
- Linemaster

### Light Curtains

- HTM Sensors

### Two Hand Controls

- Air Mite
- Clippard

## Value Added

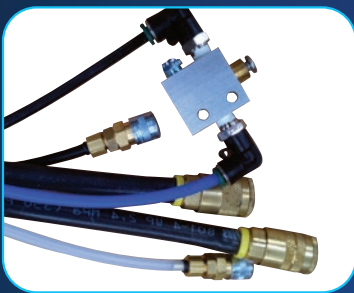

- Custom Systems
- Kitting
- Sub Assembly
- Design Assistance
- Complete Assembly

# UPDATED WEB STORE. CREATING CUSTOMER SOLUTIONS.

Scan here to shop  
our web store

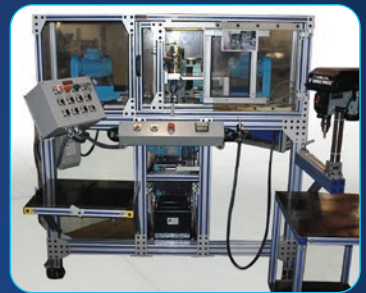

Cut to length Pneumatic tubing & packaged in specified quantities with part number ID.

Kitting, sub-assembly and complete assemblies line-ready.

Industry-leading, high-speed industrial robots.

Guarding, machine enclosures, tables, ergonomic adjustable workstations, gravity racks, and shelving. CAD design and complete build & assembly. Aluminum extrusion machining.
